Sirf Tum

(Obsessive Love)

Set against the backdrop of a medical college, 'Sirf Tum' highlights the nuances of a complicated relationship between two people, Ranveer and Suhani, who are two pieces of a puzzle that fit perfectly together. Suhani is a simple girl who lives a sheltered life in the constant fear of her father and always adheres to her family's wishes. She has strong beliefs about love and puts the needs of others ahead of her. However, when she decides to become a doctor and attend a medical college to pursue her dreams, her father allows her to do so only on the condition that her focus will only be on her studies.

But with destiny playing its trick, she crosses paths with Ranveer who is, unlike her, an impulsive and passionate guy who is pure at heart and goes after what he wants. He is a man of his words and would go to any extent to protect his loved ones. Though a bit reckless, he has a strong personality and believes in living in the moment. Fate brings Ranveer and Suhani together giving way to a new love story. As Ranveer's fire-blazing nature causes a ripple in Suhani's calm-water life, will this love story have a happy ending?

Pishachini

(The Evil Witch)

Rani - the Pishachini comes across as an extremely beautiful girl in her normal avatar but is actually an evil witch. She entices you such that she promises to give you whatever you want and desire but once you make a deal with her, she takes away everything and leaves you with nothing but despair.

The story is about a Rajput family from Bareilly who were confronted by a dark entity- Rani when they had unknowingly bought a piece of land on which she was dwelling. With the help of a sage, they manage to capture the witch and bury her in a box.

20 years later, Rakshit- the male protagonist (who is one of the sons) falls prey to the wiles of Rani and brings her back to Bareilly. While the Rajput family is enchanted by Rani, only Pavithra – the female protagonist (grand-daughter of the sage who put her away 20 years ago) senses Rani's evil intentions and knows something is a miss. The story then takes a dramatic shift when both Pavithra and Rani become the daughter in laws of the Rajput family and the tale of Good V/s Evil begins.
